To Whom It May Concern

We are happy to provide a testimonial for The Devine Alternative Pty Ltd - a company we have been involved with for the past 7 years.

During this period, The Devine Alternative has acted as our Exclusive list agent involved in renting of our active database for Australia and New Zealand. They have also met with good success in gaining revenue from our older names.

We are pleased to advise that The Devine Alternative has helped to optimise the value of our company's intellectual property and create a new profit centre with minimum of fuss and effort on our part.

As importantly, we have enjoyed a most cordial relationship and found The Devine Alternative to be most trustworthy, efficient and reliable firm with whom to do business.

We look forward to a continued relationship and have no hesitation in recommending this company's services to others.
